Fast Hockey Game

About one hundred hockey enthusiasts witnessed a fast game of hockey on the Blairmore rink on Wednesday evening when the local players defeated the Coleman septette by a score of 10-7.

The game was, without a doubt, the finest exhibition of hockey witnessed in Blairmore for many years. The game was well played and but very little dirty work was indulged in.

In the first 20 minutes Coleman made the better showing and at the end of the first period the score was 6-1 in favor of the visitors.

In the second period Blairmore's players played remarkably well and stopped several rushes from the opponents. Only one goal was scored in this period and that one was in favor of Blairmore.

In the third and last period Blairmore had most of the time to themselves and very soon worked up the score. The way the local boys played was not slow and amidst great cheering from the spectators they finished the game with a score of 10-7 in Blairmore's favor.

Great credit is due the Blairmore boys for the splendid work done by them. They all worked nobly and were the recipients of numerous congratulations as they passed from the ice to the farm house.

Blairmore goal: Coleman. Lewis: point. Higgins. Shera: c. point. Easton. Turner: cover. Hogan. Goddard: center. Graham. Horton: left wing. Jenkins. Baker: right wing. Hatfield.

The following scored for Blairmore: Horton and Goddard, 3 each; Baker and Turner, 2 each. The goals for Coleman were scored as follows: Higgins, 2; Jenkins, Graham, Easton, Hogan and Hatfield, 1 each.

Annual Soiree

On Wednesday of last week the members of Sentinel lodge, Frank, and Summit lodge, Coleman, held a joint installation in the Masonic lodge room at Coleman. R. W. Bro. Alex. Cameron, assisted by W. Bro. W. L. Oulmette, performed the installation ceremonies, when the following duly elected officers were installed for Summit lodge: W. M., A. M. Morrison; S. W., E. Dineen; J. W., J. H. Rose; Treas., Alex. Cameron; Secretary, W. L. Oulmette; S. D., Levi Fletcher; J. D., Thos. Leythum; S. S., W. Haydon; J. S. H. G. Goodve; Tyler, David Roberts.

After the installation service was over, the fraternity adjourned to the Coleman hotel, where a sumptuous repast was served in the usual grand style by Mr. Murr, the proprietor. The Coleman orchestra dispersed sweet music while the guests satiated the lower man, after which speeches were delivered by R. W. Bro. Cameron, D.D.G.M.; W. Bro. W. L. Oulmette, W. Bro. Whitehead and Bros. Price, Quigley, Morrison and others from Frank, Cowley and Pincher Creek.

About 2.30 a.m. the junior warder's last, "Happy to meet, sorry to part," but happy to meet again, was given. The brethren then joined hands and all united in singing "Auld Lang Syne," thus bringing to a close an interesting and jolly time.

No doubt there are cheerful glances but did you ever see one?

MAN KILLED BY TRAIN NEAR PASSBURG

The dead and badly lacerated form of Peter Gregori, a miner employed at the Police Flats mine, was picked up close by the railway track near Passburg on Wednesday evening at 5.30 o'clock. Gregori had been at Buvius that afternoon and it is supposed that while returning he was struck by a train which passed over his lower limbs and which caused his death. The Doctor was summoned but upon his arrival he was extinct. Coroner Pinkney examined the body on Thursday (today) but he did not consider an inquest necessary as he said that it was quite evident that Peter Gregori's death was caused by shock and hemorrhage by being run over by a train. Gregori was 30 years of age and was residing with his parents at Passburg.

BIG INDUSTRY AT SOUTH FORK

Eastern Capitalists Purchase Valuable Fire Clay Property and Will Erect Large Plant Thereon.

A number of eastern capitalists have recently purchased a large and valuable tract of land at the South Fork containing an immense quantity of high-grade fire clay.

The land, of which there are 276 acres, is about 12 miles south of Blairmore and Frank and is situated in close proximity of the vast coal fields at the South Fork.

The deal was put through by D. W. Colvin, acting for other interested gentlemen, and the price paid was about \$70,000. Those who disposed of their interests in part interests in the said property include D. C. Drain, Daniel Drain, J. A. MacDonald, J. B. Reuter, C. F. Sedgewick, W. T. Eddy and B. MacDonald.

As soon as the weather conditions permit a plant, costing upwards of \$75,000, will be erected on the property and the manufacture of fire brick, etc. will immediately follow. It is expected that some of the product will be ready for market by the early part of the summer. It is proposed to run motor trucks loaded with fire brick, from the factory to a point near Burnis where the valuable product of this new plant will be loaded on cars and sent to the markets of commerce.

This new industry will require many workmen and will mean a large amount of money circulated throughout this district. It will mean a great boon to the South Fork country and will very materially help all the Pass towns. It is more than probable that before the plant is in operation very long, Blairmore will be made the distributing point for the products. The opening up of such a great industry at the South Fork will no doubt tend to hurry the movement in building the proposed wagon road from the "Commercial Centre of the Pass" to the fish country which is but a few miles south of this place.

Echoes From the Thriving Town of Coleman

Dr. Connolly, of Blairmore, was in Coleman on Tuesday attending to professional work.

J. W. Fossall was up from Taber during the holidays and renewed many old acquaintances in Coleman and Cardboard.

Rev. W. Simpson, of Lundbreck, conducted services in St. Alban's church here on Sunday last, Rev. L. Erdham being at Calgary.

At a recent meeting of the Cardboard local, of U. M. W. of A., Dr. Porter was elected as the miners' doctor by a large majority.

W. J. Verge, vice-principal of the public school at Raymond, and J. D. S. Barrett, the Blairmore quill painter, were in town on Sunday.

It is reported that a huge brick and tile plant will be established in Coleman in the near future. Negotiations are in progress and everything points to an early realization of this new enterprise.

Several of the local dancers were in Blairmore on Monday evening last and attended the ball given by the "Gentlemen of Blairmore." They all report having a very enjoyable time and say that Blairmore knows how to entertain.

Public school re-organized on Wednesday with a new staff of teachers and attended the ball given by the "Gentlemen of Blairmore." They all report having a very enjoyable time and say that Blairmore knows how to entertain.

The new town council held its first meeting on Tuesday evening when the following committees were appointed: Financial, H. G. Goodvee, J. W. Johnston and B. Holmes; Works and Property, B. Holmes, J. W. Johnston and J. B. Shaw; Police and License, B. Shaw, S. Leski and H. G. Goodvee; Fire and Light, H. G. Goodvee, S. Leski and J. Swan.

The local hockey team played a great game on their own ice on Friday evening last, when they defeated the Blairmore players by a score of 14-1. If our players get out and practice a little more they would stand a good chance of retaining the Frayer cup. We hope that the all-stars will remain in Coleman, and that this town will retain its prestige in sporting circles.

Things are booming in Coleman at present and everything points to a season of great prosperity. The International Coal & Coke Co. are shipping over two thousand tons of high-grade coal per day, besides the five hundred tons which are required each day for the coke ovens. The McGillivray Creek Coal & Coke Co. are shipping over four hundred tons of coal per day and they intend to increase their output considerably in the near future.

A Miner Injured

James Gilganon was injured at the International Coal & Coke company's mines at Coleman on Tuesday morning last. Gilganon was engaged in inside work when a quantity of coal fell on him, causing a dislocation of the hip joint and a compound fracture of the right arm. The injured man was immediately taken to the miners' hospital where his injuries, which were of a most painful nature, were attended to by Dr. Ross.

Lundbreck Notes

Miss L. N. Soundice is a guest at Mrs. A. H. Knight's.

Mr. Carson is the new night operator at Lundbreck.

School opened last Tuesday at Lundbreck. The teaching staff is the same as last year.

The Rev. W. Simpson, of this town, held divine services on Sunday last at Coleman and Frank.

Miss C. Knight and Mr. Harold Knight are at present home from Edmonton college on vacation.

H. F. Breckenridge, of the local mine, is expected back daily from his home in Westwood, Ontario.

A jolly party left here on Monday night last to attend the "Black-clad" Ball at Cowley, and all report a good time.

Operations at the Galbraith mine have recently been suspended, pending consolidation with the Alberta Coal and Coke Co.

There was an excellent concert and dance at "Wilde's" hall last Tuesday evening. The man with the rubber face "made a great hit."

Constipation is the cause of many ailments and disorders that make life miserable. Take Chamberlain's Stomach and Liver Tablets, keep your bowels regular, and you will avoid these troubles. For sale by all dealers.

Constable Mead left Lundbreck last Monday. We hope that he is to be stationed here to Supr. Prime rose at Macleod. Rumor persistently whispers of promotion for Constable Mead.

A few minutes before midnight last Sunday the Sabbath calm was broken by the tuneless strains of the Breckenridge mine whistle. The bells of the local telephones rang in unison, conveying New Year greetings to friends.

No More Dandruff

S. J. Watson Knows What is
Making Clean Scalps

In order to rid your scalp of filthy dandruff, you must kill the germ. There is a hair dressing called Parisian Rage which is now sold in every town in Canada. It is guaranteed by S. J. Watson, of Frank, to eradicate dandruff, stop falling hair, splitting hair, and soothe it in two weeks, or money back.

If you have dandruff get a large 50 cent bottle to-day and rid yourself of it. Remember that if dandruff germs are not destroyed in time, the hair will surely fall out and baldness will follow.

Investment That Pays

No home in Western Canada can better invest a dollar than send it for a year's subscription to The Family Herald and Weekly Star. That paper has been a blessing in thousands of Western homes. Its agricultural column is as good as a course in a college. Its world's news page covers everything in the news line and its magazine section provides ample reading for the whole family. Any person, seeing the beautiful picture "Home Again" in a shop window would readily give two dollars for it, yet it can be had absolutely free by sending a dollar for a year's subscription to the paper. Such a paper, for a year with such a beautiful picture all for the price of a bushel of wheat is certainly a good investment.
